

# Be Bear Smart

Join the Park Interpreters for these fun and engaging activities as we discover how to be bear smart while in black bear country.

## Bear Essentials

### Campfire Talk

Friday, July 21, 2017

8 p.m. – 9 p.m.

**Location: West Hawk Amphitheatre**

Understanding bear biology is the first step to becoming bear smart. Join us tonight to discover a day in the life of a black bear and what makes them tick. By doing this we can begin to prevent negative bear encounters. *Be sure to bring a mug for hot chocolate!*

## Managing Black Bears

### Amphitheatre Presentation

Saturday, July 22, 2017

9 p.m. – 10:30 p.m.

**Location: Big Whiteshell Amphitheatre**

Join a Park Interpreter and Park Patrol Officers as we discuss how problem bears are managed and learn how to prevent problem bears. Then we will see how a bear trap really works. *Stick around afterwards for our feature film: Eyewitness – Bear.*

## Finding the Attractant

### Family Program
