

Only approved contractors may open ground or work in the cemetery.

Vaults are required for full body earth burial.

Head stone maximum 4ft x 4ft x 8 inches deep.

All rules and regulations of the South East Whiteshell Cemetery apply.

Location of the cemetery & columbarium is down Hwy #1 East from Winnipeg to either the Falcon Lake exit or the West Hawk Lake exit.

- From Falcon Lake Hwy #1 exit: Turn an immediate left onto Prov. Rd #301. Follow this road through the park 7.1km, and you will find the cemetery on your right, just past Faloma Beach.
- From West Hawk Lake exit: You will drive to the stop sign in the town of West Hawk Lake and turn left on to Hwy #44. In approx. ½km, turn left on Prov. Rd #301 toward Falcon Lake. Continue 5.2km along #301 to find the cemetery on your left in the red pine forest.

## BURIAL PLOTS

With continuous cement ribbon for foundations for up to 100 memorial headstone markers. Map of cemetery with plots and ribbon showing numbers.

South East Whiteshell Cemetery Plan

Map of the cemetery showing burial plots and a columbarium. The map includes a grid of plots numbered 1 to 100, a central columbarium, and a gate. The map is oriented with a road at the bottom and a forest at the top.
