**SCAN ME**

This report is based on known conditions on the above date.
Please be aware that conditions may vary due to weather.

Scan the code with your phone to access interactive maps with the latest grooming information or visit manitobaparks.com.

Cross-country Ski Trails

The South Whiteshell, West Hawk and McHugh loops have not been track-set. All other ski trails have been track-set.

Walking Trails

The Pine Point and Forester's Footsteps trails have been groomed. All other walking trails are ungroomed. Bear Lake Trail is closed for construction.

Falcon Ridge Ski Slopes

The Falcon Ridge Ski Hill is open. Please visit falconridgeski.com or call 204-349-8935 for more information.

Snowmobiling Trails

The portions of trails that cross West Hawk Lake (Snoman #775, #777 and #778), Falcon Lake (Snoman #776 and #779) as well as the trail from Falcon Lake to the west side of High Lake (Snoman #776) are closed as trail preparation work remains in progress. Please stay off closed routes as crews are working on clearing trees and signing routes.

All other snowmobile trails in the Whiteshell including the Elma trail (Snoman #21) are open. There are areas of exposed rock, icy curves, slush conditions and bare patches along all sections of snowmobile trail. Please reduce speed and use caution.

Important notes for all trail users

Warming shelters are open with reduced capacity limits under current public health orders. Please observe capacity signs and limit time in shelters to allow other visitors to use them. Facemasks are required.

Practice Leave No Trace. Take only pictures, leave only footprints. Please pack out litter.

Please report trail conditions, hazards and share your experiences with park staff. Contact us at a park district office, call 204-369-3157 or email TrailsMBParksEast@gov.mb.ca.

Publication available in alternate formats upon request. Aussi disponible en français.
