

PUBLIC NOTICE

BOIL WATER ADVISORY **Betula Lake Campground**

Issued by the Medical Officer of Health, Manitoba Health and the Office of Drinking Water, Manitoba Environment and Climate

June 5, 2023

A power outage on June 5, 2023 has led to the loss of water pressure in the Betula Lake Campground distribution system. Distribution depressurization can compromise the safety of the water supply; therefore, a boil water advisory has been issued to ensure public health protection. A boil water advisory has been issued to ensure public health protection.

**DO NOT
DRINK**

Tap Water must NOT be used for:

- **drinking**
- **brushing teeth**
- **preparing food or beverages, including ice and infant formula**
- **washing dishes or other items that come into contact with food**
- **washing hands to prepare food or to eat food with your hands**

DURATION

The Boil Water Advisory will remain in effect until the water supplied by this water system no longer presents a risk to public health.

If you have any questions or concerns, please contact the Rennie Office 204-369-3153 or the Regional Drinking Water Officer at 204-371-3885, healthprotection@gov.mb.ca or Health Links at 204-788-8200 (toll free at 1-888-315-9257).
