

Manitoba Government Job Opportunities

Mechanic 1

MH1 Mechanic 1

Departmental

Full-time, 52 Weeks

Environment and Climate Change

Parks, Parks and Trails

Rennie MB, North Whiteshell MB

Advertisement Number: 42663

Salary(s): MH1 \$1,799.20 - \$2,049.60 bi-weekly

Closing Date: April 17, 2024

The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to women, Indigenous people, visible minorities and persons with disabilities.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

Introduction

Environment and Climate Change, Eastern Region, is seeking qualified individuals to fill a Mechanic 1 (MH1) position. This position is located in Rennie/North Whiteshell Provincial Park.

Conditions of Employment:

- Must be legally entitled to work in Canada
- Must possess and maintain a valid Class 5F Manitoba Drivers's Licence or similar from another jurisdiction that is recognized by Province of Manitoba.
- Must be able to perform the physical requirements of the position, including lifting approximately 23kg in weight and standing for prolonged periods.

Qualifications:

Essential:

- Experience with mechanical equipment repair and maintenance
- Experience in mechanical diagnosis and electrical problems
- Experience in cost estimates and ordering of supplies and material
- Experience in welding repair and fabrication
- Strong verbal communication
- Ability to work independently with minimal supervision
- Strong organizational and time management skills

Desired:

- Knowledge of Workplace Safety and Health procedures and practices

Duties:

The incumbent will be responsible for the repairs and preventative maintenance of equipment ranging from small hand held equipment up to and including Heavy Duty construction and winter trail grooming equipment in the North Whiteshell Provincial Park. The incumbent will also be required to assist with other projects such as welding and fabrication.
